IN MEMORIAM

In memory of the late Mrs. Lillie C. Drinkard, whose birthday occurs on July 18th, the day we would all gather for a reunion and celebrate her birthday. Our hearts are saddened as the time draws near.

We miss your smiling face,
We miss you from your dear place,
At home, at church, and everywhere,
Your place is always vacant there.

Sadly missed by Children, Grandchildren and Friends. 1tc

IN MEMORIAM

In loving memory of my dear mother, Mrs. B. H. W. Martin, who passed away five years ago, July 19, 1949.

Often we think of you dear mother,
And our hearts are filled with pain.
Oh this earth would be a heaven,
Could we hear your sweet voice again;
Five years have passed away,
But we don't forget; for in the heart,
That loved you best,

Your memory lingers on in my heart. She walks in morning light above with Jesus, and as her friend, may we in faith, the same path take until our journeys end.

—Sadly missed by your daughter, Mrs. Bennett Harding.

IN MEMORIAM

In loving remembrance of our dear son and brother, Richard Henderson Gowin, who departed this life seven years ago, July 9, 1947.

Seven years have passed since you left us,
We still feel the loss and pain,
But we know when our life is ended,
Up in Heaven we'll meet again.

Your memory to us is a keepsake,
With which we shall never part,
Though God has you in his keeping,
We still have you in our hearts.

Friends may think our sorrows ended
And our hearts ache no more,
But our loss will be forever,
Until we meet on that heavenly shore.

Sadly missed by Mother, Dad, Brothers and Sisters.

IN MEMORIAM

In loving memoryof our dear brother and son, James Thurman Gibson who passed away 10 years ago, July 17th, 1944.

Little Jimmie your memory's all we have now,
Your cares are all at rest;
Happy are we who can say,
We loved you and did our best,
It's so lonely here without you,
And so sad along life's way.
In our heart your memory lingers,
This is the day God caled you away.
No one knows how we miss you,
No one knows how we have suffered
Since we have lost you,
Life has never been the same.
We think of you little Jimmie,
As living still,
And in memory you are with us,
As you always were before,
Although you are waiting at the Gate of Heaven,
To greet us at God's will.

SUPPLY OF FUNGICIDES WEED KILLERS AMPLE

The overall supply of fungicides and weed killers for use during the 1954 season is fairly large, and enough can be produced to take care of all expected needs.

VPI specialists say fungus infections and weed growth to a large extent depend on weather conditions and other natural factors. The diversion of acreage in 1954 to crops not under acreage control may affect the demand for fungicides and herbicides. Some crops planted on diverted acres will themselves require applications of chemicals. Some of these growers will probably use more chemicals per acre under the reduced acreage allotments in an attempt to increase their rate of production. Therefore the reduction in the overall needs probably will not be great.
